**What You Should Know about Sharks** Ocean Ramsey,2019-08-05 Never before published information on shark language and what to do to avoid deter or interact with sharks A practical guide for any ocean goer should you encounter a shark or wish to increase or decrease your chances of such and experience There is so much more to sharks than meets the eye and we are only beginning to understand them I hope this book will help others to understand them on a deeper level and I know that the information provided in the series I ve written can help save human lives I hope with a deeper understanding people might also begin to appreciate care and my deepest hope is that they might even be inspired enough to join me in efforts to help save the lives of sharks who are currently being slaughtered by the millions **The PlayBook** Mike Bellafiore,2013-07-12 Want to become a truly great trader either for yourself or for a proprietary trading firm This book will help you get there This unique approach is the closest thing to signing up for a trader boot camp yourself You ll learn by watching new traders walk through actual trades explain what they ve tried to do and try to survive brutally tough expert critiques One trade at a time The Playbook reveals how professional traders must think in order to succeed under fire how they assess their own performance and how they work relentlessly to improve Using concrete actionable setups drawn from his extensive trading and training experience Bellafiore walks through an extraordinary array of trades showing readers how to maximize profits and avoid disastrous hidden pitfalls He covers support plays bull and bear flags opening drives important intraday levels bounce and fade trades pullbacks scalps technical opportunities consolidation relative strength market trades and more He also presents indispensable insights on psychology and trader development based on his work with hundreds of traders on a major commodity exchange and an elite prop firm s trading desk Packed with color personality and realism this is an exciting guide to real world trading **A Growing Concern** Bruce Pinkos,2023-09-21 The Neiare departed the Ecuadorian port on a scheduled exercise along a bearing closely straddling the equator The ship s working crew plus a technical staff of horticulturists were soon to be pulled violently from their normal monotonous daily routines They would be cast into a myriad of terrifying life threatening situations that had to be overcome in order to survive As the ship s situation turns grave the staff fight to maintain their fragile life support systems Gerald Gross and his covert Sustain group must deftly manage the remaining crew to battle on in order to stay alive The odds are increasingly against their survival with each passing minute of indecision Unknown to the bulk of Horticulturists the work that they dedicated their careers to was about to become much more vital This was a fact the other major nations in the world had been well aware of Now their determined efforts to acquire the cargo that the Neiare berthed on board were intensified to a degree of terrifying desperation The fate of hundreds of millions may now rest in Sustains hands In summary each of the staff has a differing degree of knowledge as to the scientific importance of the genetically modified seeds that they work with None of the staff have made the connection as to what the enormous value these products could have to the entire world in the very near future **Holiday Read**

Taylor Cole,2023-05-11 The ultimate escapist rom com for book and beach lovers Perfect for fans of Emily Henry and Josie Silver When romance fanatic Candice meets writer Alexis she thinks her happy ending is finally on its way He walks into her struggling Cornish surf school and they hit it off straight away Until she discovers that Alexis has been using their courtship as inspiration for the romantic novel he s struggling to write When Alexis offers to bring her in on the deal if Candice helps him deliver a winning book to his publisher she accepts and along with Alexis agent Daniel they embark on a very unusual summer of love as Candice tries to teach the men the recipe for a successful romance But you can t have a great love story without a great romantic hero Will Candice find hers before the summer is over While the Earth Sleeps We Travel Ahmed M. Badr,2020-10-13 Beginning in 2018 Ahmed M Badr an Iraqi American poet and former refugee traveled to Greece Trinidad Tobago and Syracuse New York holding storytelling workshops with hundreds of displaced youth those living in and outside of camps as well as those adjusting to life after resettlement Combining Badr s own poetry with the personal narratives and creative contributions of dozens of young refugees While the Earth Sleeps We Travel seeks to center and amplify the often unheard perspectives of those navigating through and beyond the complexities of displacement The result is a diverse and moving collection a meditation on the concept of home and a testament to the power of storytelling

**Sharks and People** Thomas P. Peschak,2014-02-27 At once feared and revered sharks have captivated people since our earliest human encounters Children and adults alike stand awed before aquarium shark tanks fascinated by the giant teeth and unnerving eyes And no swim in the ocean is undertaken without a slight shiver of anxiety about the very real and very cinematic dangers of shark bites But our interactions with sharks are not entirely one sided the threats we pose to sharks through fisheries organized hunts and gill nets on coastlines are more deadly and far reaching than any bite In *Sharks and People* acclaimed wildlife photographer Thomas Peschak presents stunning photographs that capture the relationship between people and sharks around the globe A contributing photographer to National Geographic Peschak is best known for his unusual photographs of sharks his iconic image of a great white shark following a researcher in a small yellow kayak is one of the most recognizable shark photographs in the world The other images gathered here are no less riveting bringing us as close as possible to sharks in the wild Alongside the photographs *Sharks and People* tells the compelling story of the natural history of sharks Sharks have roamed the oceans for more than four hundred million years and in this time they have never stopped adapting to the ever changing world their unique cartilage skeletons and array of super senses mark them as one of the most evolved groups of animals Scientists have recently discovered that sharks play an important role in balancing the ocean including maintaining the health of coral reefs Yet tens of millions of sharks are killed every year just to fill the demand for shark fin soup alone Today more than sixty species of sharks including hammerhead mako and oceanic white tip sharks are listed as vulnerable or in danger of extinction The need to understand the significant part sharks play in the oceanic ecosystem has never been so urgent and Peschak s photographs bear witness to the thrilling strength and unique

attraction of sharks They are certain to enthrall and inspire *The Line Tender* Kate Allen,2020-04-21 Funny poignant and deeply moving The Line Tender is a story of nature s enduring mystery and a girl determined to find meaning and connection within it Wherever the sharks led Lucy Everhart s marine biologist mother was sure to follow In fact she was on a boat far off the coast of Massachusetts collecting shark data when she died suddenly Lucy was seven Since then Lucy and her father have kept their heads above water thanks in large part to a few close friends and neighbors But June of her twelfth summer brings more than the end of school and a heat wave to sleepy Rockport On one steamy day the tide brings a great white and then another tragedy cutting short a friendship everyone insists was meaningful but no one can tell Lucy what it all meant To survive the fresh wave of grief Lucy must grab the line that connects her depressed father a stubborn fisherman and a curious old widower to her mother s unfinished research on the Great White s return to Cape Cod If Lucy can find a way to help this unlikely quartet follow the sharks her mother loved she ll finally be able to look beyond what she s lost and toward what s left to be discovered Confidently voiced Kirkus Reviews starred Richly layered Publishers Weekly starred A hopeful path forward Booklist starred Life affirming BCCB starred Big hearted Bookpage starred Will appeal to just about everyone SLC starred Exquisitely beautifully real Shelf Awareness starred [Shark Attacks](#) Blake Chapman,2017-11 Humans spend more time in or on the water than ever before We love the beach But for many people getting in the water provokes a moment s hesitation Shark attacks are big news events and although the risk of shark attack on humans is incredibly low the fact remains that human lives are lost to sharks every year Shark Attacks explores the tension between risk to humans and the need to conserve sharks and protect the important ecological roles they play in our marine environments Marine biologist Blake Chapman presents scientific information about shark biology movement patterns and feeding behaviour She discusses the role of fear in the way we think about sharks and the influence of the media on public perceptions Moving first hand accounts describe the deep and polarising psychological impacts of shark attacks from a range of perspectives This book is an education in thinking through these emotive events and will help readers to navigate the controversial issues around mitigating shark attacks while conserving the sharks themselves **Redemption** Kathryn Barrett,2014-12-02 Recently appointed an executive of a Philadelphia department store Claire Porter doesn t want a man in her life She still bears scars from her past including the Hollywood scandal that resulted in the birth of her son but she s the last to admit she needs a hero Matt Grayson is perfectly cast for the role As a kid he staged rescue operations with GI Joe and Barbie Now he plays a hero on the big screen but when he encounters Claire ten years after their disastrous affair he realizes she s no longer the naive girl who fell into his arms She not only forbids him to use her store as a location for the film he s directing but also refuses to cooperate with the emotional rescue he plans As layers of secrets are exposed Claire and Matt grow closer and finally face their personal and public redemption [The 52 Week Project](#) Lauren Keenan,2020-12-01 Life is short Make the most of it It was winter Lauren Keenan was separated from her husband lonely and miserable Then came the night of Twenty

Seven Rejections of Doom she asked twenty seven people to hang out one Friday night and every single person said no Lauren realised her life wasn't working for her and that she needed to change it It was time to try something new Fifty two new things in fact She made a resolution she'd try 52 new things in 52 weeks From zip lining to entering a stand up comedy night swimming with sharks to detoxing from social media giving up alcohol for six months to going to a music festival alone Lauren put herself out there with surprising results Her year of new experiences was a game changer It repaired her relationship with her husband she regained confidence in herself and she realised how satisfying it can be to push yourself to your limits and to do things on your own The 52 Week Project combines Lauren's insights and humour with current psychological research as she brings readers along during her year of making the most out of life

**Shark People** A. A. Jameson, 2010-10-07 Stanley Blackster had once been a hero to his son Gram back in the days when he right as usual he'd let things drift But now Insidiator was to be screened again and he would take decisive action A family expedition to the fabled paradise islands of the Papalinas would surely put things right The Barracuda had long wanted to visit this place from his past and he would at last dive on a coral reef with Gram Certain firmly submerged incidents were becoming restless but the Blacksters would not be straying from the sun the sand and the surf Tsaramaso Atoll would be at a safe range of several hundred sea miles and Stanley would make sure it stayed that way Of course he would Even now Tsaramaso was a place

undiscovered by the world a place of mangrove forest and steaming heat of reptiles and sharks of teeming reef fishes and sweating black nights ancestral home of the malevolent Boniface clan and their old eerie notions of power The very last place for a family holiday

**The Distance to Home** Jenn Bishop,2017-05-16 Recommend this poignant novel to fans of Keeping Score by Linda Sue Park and The Thing About Jellyfish by Ali Benjamin School Library Journal It s a heartwarming celebration of sisterhood and summertime and of finding the courage to get back in the game Last summer Quinnen was the star pitcher of her baseball team the Panthers They were headed for the championship and her loudest supporter at every game was her best friend and older sister Haley This summer everything is different Haley s death at the end of last summer has left Quinnen and her parents reeling Without Haley in the stands Quinnen doesn t want to play baseball It seems like nothing can fill the Haley sized hole in her world The one glimmer of happiness comes from the Bandits the local minor league baseball team For the first time Quinnen and her family are hosting one of the players for the season Without her sister Quinnen s not sure it will be any fun but soon she befriends a few players With their help can she make peace with the past and return to the pitcher s mound

A Bank Street College of Education and Children s Book Committee Best Children s Books of the Year A piercing first novel Bishop insightfully examines the tested relationships among grieving family members and friends in a story of resilience forgiveness and hope Publishers Weekly With appeal to both sports and drama minded girls this will make a good book club selection and pass it among your friends read The Bulletin
