Blood Plagues and Endless Raids-Anthony Palumbi 2017-04-01 One hundred million people have played World of Warcraft in the 12 years since its inception. Those people did more than play; they worked, they fought, they triumphed, they held entire game servers hostage, they even married each other in real life. They developed new identities, swapping their workaday selves for warriors, mages, assassins, and healers. Blood Plagues and Endless Raids explores a wild, incredibly complex culture partly through the author's engaging personal story but also through the stories of other players and developers. It represents the definitive (and only) account of one of the world's biggest pop culture phenomena.

Before the Storm (World of Warcraft)-Christie Golden 2018-06-12 NEW YORK TIMES BESTSELLER • An all-new, official prequel novel to The Battle for Azeroth, Blizzard Entertainment's next expansion to the critically acclaimed World of Warcraft videogame. Azeroth is dying. The Horde and the Alliance defeated the demonic Burning Legion, but a dire catastrophe is unfolding deep below the surface of the world. There is a mortal wound in the heart of Azeroth, struck by the sword of the fallen titan Sargeras in a final act of cruelty. For Anduin Wrynn, king of Stormwind, and Sylvanas Windrunner, warchief of the Horde and queen of the Forsaken, there is little time to rebuild what remains and even less to mourn what was lost. Azeroth's devastating wound has revealed a mysterious material known as Azerite. In the right hands, this strange golden substance is capable of incredible feats of creation; in the wrong ones, it could bring forth unthinkable destruction. As Alliance and Horde forces race to uncover the secrets of Azerite and heal the wounded world, Anduin enacts a desperate plan aimed at forging a lasting peace between the factions. Azerite jeopardizes the balance of power, and so Anduin must gain the trust of Sylvanas. But, as ever, the Dark Lady has her own machinations. For peace to be possible, generations of bloodshed and hatred must be brought to an end. But there are truths that neither side is willing to accept and ambitions they are loath to relinquish. As Alliance and Horde alike grasp for the Azerite's power, their simmering conflict threatens to reignite all-out war—a war that would spell doom for Azeroth. Praise for Before the Storm "This is easily the best book in the World of Warcraft series, and I don't say that lightly. . . . It's so much more than a tie-in novel. . . . It's a beautiful book."—Blizzard Watch

World of Warcraft: Stormrage-Richard A. Knaak 2010-02-23 When the world of Azeroth was young, the god-like titans brought order to it by reshaping its lands and seas. Throughout their great work, they followed a magnificent design for what they envisioned Azeroth would become. Although the titans departed Azeroth long ago, that design endures to this day. It is known as the Emerald Dream, a lush and savagely primal version of the... WORLD OF WARCRAFT Many are the mysteries surrounding the Emerald Dream and its reclusive guardians, the green dragonflight. In times past, druids have entered the Dream to monitor the ebb and flow of life on Azeroth in their never-ending quest to maintain the delicate balance of nature. However, not all dreams are pleasant ones. Recently the Emerald Nightmare, an area of corruption within the Emerald Dream, began growing in size, transforming the Dream into a realm of unimaginable horror. Green dragons have been unexpectedly caught up in the Nightmare, emerging from it with shattered minds and twisted bodies. Druids who have entered the darkening Dream lately have found it difficult -- sometimes even impossible -- to escape. Nor are these the Nightmare's only victims: more and more people are being affected. Even Malfurion Stormrage, first and foremost of the druids on Azeroth, may have fallen victim to this growing threat. As uncontrollable nightmares spread across the world, a desperate quest begins to find and free the archdruid. Soon nature's enemies will learn the true meaning of the name STORMRAGE

Shadows Rising (World of Warcraft: Shadowlands)-Madeleine Roux 2020-07-14 An all-new official prequel novel to Shadowlands, the next expansion for Blizzard Entertainment's legendary online game World of Warcraft "The Horde is nothing!" With those infamous words, Sylvanas Windrunner betrayed and abandoned the Horde she vowed to serve. The Dark Lady and her forces now work in the shadows as both the Horde and Alliance, including her own sister, Alleria, race to uncover her next move. Struggling to shoulder the

crushing weight of leadership, King Anduin entrusts the void elf and High Exarch Turalyon to uncover Sylvanas's whereabouts. The Horde now stands at a crossroads. The various factions form a council, leaving the mantle of warchief to rest. Thrall, Lor'themar Theron, Baine Bloodhoof, First Arcanist Thalysstra, and many other familiar faces rise to this new challenge. But the threats are numerous, and the distrust runs too deep. When the council is derailed by a failed assassination attempt on Talanji—the Zandalari queen and a key ally—Thrall and the rest of the Horde leaders are forced into action. They empower the young troll shaman Zekhan, still grieving the loss of Varok Saurfang, with a critical mission to aid Talanji and help uncover the rising threat against her. Meanwhile, Nathanos Blightcaller and Sira Moonwarden have been tasked by the Dark Lady with a terrifying gambit: to kill the troll loa of death himself, Bwonsamdi. As Zekhan and Talanji work to save Bwonsamdi, their journey will be a key turning point in bolstering the Horde against the coming darkness and finding themselves along the way. Failure to save their allies and the trickster god will surely doom them—but through success, they may rediscover what makes the Horde strong.

Warcraft: Day of the Dragon-Richard A. Knaak 2001-12-05 In the mist-shrouded haze of the past, the world of Azeroth teemed with wondrous creatures of every kind. Mysterious Elves and hardy Dwarves walked among tribes of man in relative peace and harmony -- until the arrival of the demonic army known as Burning Legion shattered the world's tranquility forever. Now Orcs, Dragons, Goblins, and Trolls all vie for supremacy over the scattered, warring kingdoms -- part of a grand, malevolent scheme that will determine the fate of the world of WarCraft. A terrifying upheaval among the highest ranks of the world's Wizards sends the maverick Mage, Rhonin, on a perilous journey into the Orc-controlled lands of Khaz Modan. What Rhonin uncovers is a vast, far-reaching conspiracy, darker than anything he ever imagined -- a threat that will force him into a dangerous alliance with ancient creatures of air and fire if the world of Azeroth is to see another dawn.

The Darkening Dream-Andy Gavin 2011-12-23 An ominous vision and the discovery of a gruesome corpse lead Sarah Engelmann into a terrifying encounter with the supernatural in 1913 Salem, Massachusetts. With help from Alex, an attractive Greek immigrant, Sarah sets out to track the evil to its source, never guessing that she will take on a conspiracy involving not only a 900-year vampire, but also a demon-loving Puritan warlock, disgruntled Egyptian gods, and an immortal sorcerer, all on a quest to recover the holy trumpet of the Archangel Gabriel. Relying on the wisdom of an elderly vampire hunter, Sarah's rabbi father, and her own disturbing visions, Sarah must fight a millennia-old battle between unspeakable forces, where the ultimate prize might be herself.

World of Warcraft: Rise of the Horde-Christie Golden 2007-05-01 Though the young Warchief Thrall ended the demon curse that had plagued his people for generations, the orcs still wrestle with the sins of their bloody past. As the rampaging Horde, they waged a number of devastating wars against their perennial enemy -- the Alliance. Yet the rage and bloodlust that drove the orcs to destroy everything in their path nearly consumed them as well. Long ago, on the idyllic world of Draenor, the noble orc clans lived in relative peace with their enigmatic neighbors, the draenei. But the nefarious agents of the Burning Legion had other plans for both of the unsuspecting races. The demon-lord Kil'jaeden set in motion a dark chain of events that would succeed not only in eradicating the draenei, but forging the orc clans into an single, unstoppable juggernaut of hatred and destruction.

World of Warcraft: The Shattering-Christie Golden 2010-10-19 In her New York Times bestseller, *The Shattering*, Christie Golden delivers a sensational tie-in to the newest World of Warcraft game expansion. Thrall, wise shaman and the warchief of the Horde, has sensed a disturbing change... Long ago, Azeroth's destructive native elementals raged across the world until the benevolent titans imprisoned them within the Elemental Plane. Despite the titans' intervention, many elementals have ended up back on Azeroth. Over the ages, shaman like Thrall have communed with these spirits and, through patience and dedication, learned to soothe roaring infernos, bring rain to sun-scorched lands, and otherwise temper the elementals' ruinous influence on the world of Azeroth. Now Thrall has discovered that the elementals no longer heed the shaman's call. The link shared with these spirits has grown thin and frayed, as if Azeroth itself were under great duress. While Thrall seeks answers to what ails the confused elements, he also wrestles with the orcs' precarious future as his people face dwindling supplies and growing hostility with their night elf neighbors. Meanwhile, King Varian Wrynn of Stormwind is considering violent action in response to mounting tensions between the Alliance and the Horde, a hard-line approach that threatens to alienate those closest to him, including his son, Anduin. The conflicted young prince has set out to find his own path, but in doing so, he risks becoming entangled in political instability that is setting the world on edge. The fate of Azeroth's great races is shrouded in a fog of uncertainty, and the erratic behavior of the elemental spirits, troubling though it is, may only be the first ominous warning sign of the cataclysm to come.

World of Warcraft: Arthas-Christie Golden 2009-04-21 Frostmourne. It was caught in a hovering, jagged chunk of ice, the runes that ran the length of its blade glowing a cool blue. Below it was a dais of some sort, standing on a large gently raised mound that was covered in a dusting of snow. A soft light, coming from somewhere high above where the cavern was open to daylight, shone down on the runeblade. The icy prison hid some details of the sword's shape and form, exaggerated others. It was revealed and concealed at the same time, and all the more tempting, like a new lover imperfectly glimpsed through a gauzy curtain. Arthas knew the blade -- it was the selfsame sword he had seen in his dream when he first arrived. The sword that had not killed Invincible, but that had brought him back healed and healthy. He'd thought it a good omen then, but now he knew it was a true sign. This was what he had come to find. This sword would change everything. Arthas stared raptly at it, his hands almost physically aching to grasp it, his fingers to wrap themselves around the hilt, his arms to feel the weapon swinging smoothly in the blow that would end Mal'Ganis, end the torment he had visited upon the people of Lordaeron, end this lust for revenge. Drawn, he stepped forward. The uncanny elemental spirit drew its icy sword. "Turn away, before it is too late," it intoned. * * * His evil is legend. Lord of the undead Scourge, wielder of the runeblade Frostmourne, and enemy of the free peoples of Azeroth. The Lich King is an entity of incalculable power and unparalleled malice -- his icy soul utterly consumed by his plans to destroy all life on the World of Warcraft. But it was not always so. Long before his soul was fused with that of the orc shaman Ner'zhul, the Lich King was Arthas Menethil, crown prince of Lordaeron and faithful paladin of the Silver Hand. When a plague of undeath threatened all that he loved, Arthas was driven to pursue an ill-fated quest for a runeblade powerful enough to save his homeland. Yet the object of his search would exact a heavy price from its new master, beginning a horrifying descent into damnation. Arthas's path would lead him through the arctic northern wastes toward the Frozen Throne, where he would face, at long last, the darkest of destinies.

Warcraft: War of the Ancients #2: The Demon Soul-Richard A. Knaak 2007-05-01 THE BURNING LEGION HAS COME. Led by the mighty Archimonde, scores of demonic soldiers now march across the lands of Kalimdor, leaving a trail of death and devastation in their wake. At the heart of the fiery invasion stands the mystic Well of Eternity -- once the source of the night elves' arcane power. But now

the Well's energies have been defiled and twisted, for Queen Azshara and her Highborne will stop at nothing to commune with their newfound god: the fiery Lord of the Burning Legion...Sargeras. The night elf defenders, led by the young druid, Malfurion Stormrage, and the wizard, Krasus, fight a desperate battle to hold back the Legion's terrible onslaught. Though only embers of hope remain, an ancient power has risen to aid the world in its darkest hour. The dragons -- led by the powerful Aspect, Neltharion -- have forged a weapon of incalculable power: the Dragon Soul, an artifact capable of driving the Legion from the world forever. But its use may cost far more than any could have foreseen. The second novel in an original trilogy of magic, warfare, and heroism based on the bestselling, award-winning electronic game series from Blizzard Entertainment.

The Ethical Imagination-Margaret Somerville 2008-06-06 "Renowned ethicist Margaret Somerville tackles some of the most contentious issues of our time and proposes a brilliant new kind of ethical language and thought to help us deal with them." "Somerville asks: What does it mean to be human today, when mind-altering scientific breakthroughs are challenging our fundamental ideas of ourselves, how we relate to others and the world around us, and how we find meaning in life? Touching on such controversial subjects as our growing acceptance of new reproductive technologies and the genetic modification of plants and animals, she argues that only if we are willing to undertake a journey of the human imagination will we be able to see, understand, and relate morally to the world around us, allowing us to develop an ethics to guide us."--BOOK JACKET.

World of Warcraft: Beyond the Dark Portal-Aaron Rosenberg 2008-06-24 The aging orc shaman Ner'zhul has seized control of the Horde and reopened the Dark Portal. His brutal warriors once again encroach upon Azeroth, laying siege to the newly constructed stronghold of Nethergarde Keep. There, the archmage Khadgar and the Alliance commander, Turalyon, lead humanity and its elven and dwarven allies in fighting this new invasion. Even so, disturbing questions arise. Khadgar learns of orcish incursions farther abroad: small groups of orcs who seem to pursue a goal other than simple conquest. Worse yet, black dragons have been sighted as well, and they appear to be aiding the orcs. To counter Ner'zhul's dark schemes, the Alliance must now invade the orcs' ruined homeland of Draenor. Can Khadgar and his companions stop the nefarious shaman in time to stave off the destruction of two worlds?

The Warcraft Civilization-William Sims Bainbridge 2012-09-21 An exploration of the popular online role-playing game World of Warcraft as a virtual prototype of the real human future. World of Warcraft is more than a game. There is no ultimate goal, no winning hand, no princess to be rescued. WoW is an immersive virtual world in which characters must cope in a dangerous environment, assume identities, struggle to understand and communicate, learn to use technology, and compete for dwindling resources. Beyond the fantasy and science fiction details, as many have noted, it's not entirely unlike today's world. In *The Warcraft Civilization*, sociologist William Sims Bainbridge goes further, arguing that WoW can be seen not only as an allegory of today but also as a virtual prototype of tomorrow, of a real human future in which tribe-like groups will engage in combat over declining natural resources, build temporary alliances on the basis of mutual self-interest, and seek a set of values that transcend the need for war. What makes WoW an especially good place to look for insights about Western civilization, Bainbridge says, is that it bridges past and future. It is founded on Western cultural tradition, yet aimed toward the virtual worlds we could create in times to come.

Warcraft: War of the Ancients #3: The Sundering-Richard A. Knaak 2005-08-01 The hour of wrath draws near... The valiant night elves have been shattered by the loss of their beloved general. The black dragon, Neltharion, has claimed the Demon Soul and scattered the mighty dragonflights to the winds. Above all, the demonlord, Archimonde, has led the Burning Legion to the very brink of victory over Kalimdor. As the land and its denizens reel from this unstoppable evil, a terror beyond all reckoning draws ever nearer from the Well of Eternity's depths... WARCRAFT In the final, apocalyptic chapter of this epic trilogy, the dragon-mage Krasus and the young druid Malfurion must risk everything to save Azeroth from utter destruction. Banding together the dwarves, tauren and furbolg races, the heroes hope to spark an alliance to stand against the might of the Burning Legion. For if the Demon Soul should fall into the Legion's hands, all hope for the world will be lost. This then, is the hour...where past and future collide! THE SUNDERING An original trilogy of magic, warfare, and heroism based on the bestselling, award-winning electronic game series from Blizzard Entertainment.
