**Imperfect Love**-Isabella White 2019-11-19 Two people begrudgingly perfect for each other, creates the ideal recipe for imperfect love. At 24 years old, Holly Scallanger has the perfect life. Everything a girl could want; a beautiful man, a stunning home, as well as being in the midst of preparing for the wedding of her dreams. This all vanishes the night she catches her fiancé, Brandon Morgan, in bed with her worst nightmare, Donna Sinclair, just a week before Holly is set to walk down the aisle. Attempting to recover from his betrayal, Holly swears off the affections of men in order to pick up the pieces of her crumbling life. Unfortunately, meeting Jake 'Hooligan' Peters is not part of her plan. The tall, dark-haired and handsome as hell med student, sweeps Holly away from the pain of her past and reveals to her the bright future that lies ahead. That is, until she falls pregnant just as Jake begins his internship at P&E; his family's hospital. Will this love at first sight lead her to the fairytale she has always craved? Or, will she fall victim to a betrayal of the heart yet again?

**Perfect Love, Imperfect Relationships**-John Welwood 2005-12-27 While most of us have moments of loving freely and openly, it is often hard to sustain this where it matters most—in our intimate relationships. Why if love is so great and powerful are human relationships so challenging and difficult? If love is the source of happiness and joy, why is it so hard to open to it fully and let it govern our lives? In this book, John Welwood addresses these questions and shows us how to overcome the most fundamental obstacle that keeps us from experiencing love's full flowering in our lives. Perfect Love, Imperfect Relationships begins by showing how all our relational problems arise out of a universal, core wounding around love that affects not only our personal relationships but the quality of life in our world as a whole. This wounding shows up as a pervasive mood of unlove—a deep sense that we are not intrinsically lovable just as we are. And this shuts down our capacity to trust, so that even though we may hunger for love, we have difficulty opening to it and letting it circulate freely through us. This book takes the reader on a powerful journey of healing and transformation that involves learning to embrace our humanness and appreciate the imperfections of our relationships as trail-markers along the path to great love. It sets forth a process for releasing deep-seated grievances we hold against others for not loving us better and against ourselves for not being better loved. And it shows how our longing to be loved can magnetize the great love that will free us from looking to others to find ourselves. Written with penetrating realism and a fresh, lyrical style that honors the subtlety and richness of our relationship to love itself, this revolutionary book offers profound and practical guidance for healing our lives as well as our embattled world.

**Perfectly Imperfect Love**-Sankalp Shrivastava 2021-03-26 Love as confusing as it is, has a routine set of rules. You have a Boy & a Girl, both get-together and fall in love. But what happens when that love falls apart, what happens when even after loving the girl with all his heart the boy keeps hurting her in every moment. What happens when the girl gets her heartbroken & decides to walk away, leaving the boy question his own existence. What happens when another girl comes in & makes that boy dream again, only to become a part of that dream herself. What happens when unexpectedly the first girl comes back into his life, leaving the boy perplexed, whom to love whom to not? Perfectly Imperfect Love is the Story of Sanjay & Sonam who were deeply in love, but they eventually fell apart. It is also about Diya who somehow becomes a part of this Story that was always supposed to be about the other two. Will Sanjay give in to his infatuation for Diya? Will Sanjay & Sonam move on in life or their love will eventually bring them back together? What will happen when love is all they have & still no one knows will it ever be enough.

**Love for Imperfect Things**-Haemin Sunim 2020-02-04 Susan Cain, New York Times bestselling author of Quiet: "The world could surely use a little more love, a little more compassion, and a little more wisdom. In Love for Imperfect Things, Haemin Sunim shows us how to cultivate all three, and to find beauty in the most imperfect of things—including your very own self." A #1 internationally bestselling book of spiritual wisdom about learning to love ourselves, with all our imperfections, by the Buddhist author of The Things You Can See Only When You Slow Down Hearing the words "be good to yourself first, then to others" was like being struck by lightning. Many of us respond to the pressures of life by turning inward and ignoring problems, sometimes resulting in anxiety or depression. Others react by working harder at the office, at school, or at home, hoping that this will make ourselves and the people we love happier. But what if being yourself is enough? Just as we are advised on airplanes to take our own oxygen first before helping others, we must first be at peace with ourselves before we can be at peace with the world around us. In this beautiful follow-up to his international bestseller The Things You Can See Only When You Slow Down, Zen Buddhist monk Haemin Sunim turns his trademark wisdom to the art of self-care, arguing that only by accepting yourself—and the flaws that make you who you are--can you have compassionate and fulfilling relationships with your partner, your family, and your friends. With more than thirty-five full-color illustrations, Love for Imperfect Things will appeal to both your eyes and your heart, and help you learn to love yourself, your life, and everyone in it. When you care for yourself first, the world begins to find you worthy of care.

**The Pickup**-Nikki Ash 2019-01-08 Somebody once said we don't decide who we love. The world decides for us. But I disagree.I believe love is a decision.Who we love, how we love.It's in our control–in our hands.I grew up having no clue about the true meaning of love. Money. Cars. Houses. Status. Fame. That's what love means to the people around me.It wasn't until the woman I picked up in a bar came back into my life and showed me love can be so much more.So, what's the problem?The woman I’m falling in love with believes in fairytales. She compares everything to a storybook and wants the happily-ever-after.So while she's stuck on recreating stories that have already been told, page by page, I'm showing her it's time we write our own book.Nobody ever said the journey of falling in love would be easy, just that it would be worth it. \*The Pickup is a standalone sports romance\*

**Crazy Imperfect Love**-K. L. Grayson 2019-02-09 From USA Today bestselling author KL Grayson...Abigail Darwin needs one thing in life: consistency. Okay, make that two things: consistency and order. Tired of being shackled to her obsessive-compulsive mind, Abigail is determined to break free. Which is why she's shaking things up. Fresh out of nursing school, she takes a traveling nurse position. A new job in a new city every few months? That's a sure-fire way to keep her from settling down and falling into old habits. First stop, Cunningham Falls, Montana. The only problem? She didn't plan on falling in love with the quaint little town, and she sure as heck didn't plan on falling for its resident surgeon, Dr. Drake Merritt. Laid back, messy, and spontaneous, Drake is everything she's not. But he is completely smitten by the new, quirky nurse working on the med-surg floor of the hospital. Abby puts up a good fight, but Drake is determined to break through her carefully erected walls to find out what makes her tick. And sigh and moan and smile and laugh. Because he really loves her laugh. But falling in love isn't part of Abby's plan. Will Drake have what it takes to convince her that the best things in life come from doing what scares us the most? **Beautifully Imperfect**-Craig Beck 2017-04-22 There is an illusion propagated by Hollywood and the media that other people have somehow worked out this 'life thing' better than us. Look around the people you work with and you will see individuals who seem unshakable, brimming over with self-esteem and personal power. But how do you know it is what it first appears? Even the strongest and most successful people have deeply negative self-talk that they keep hidden under a protective outward facing veneer. No matter what you currently believe about yourself, you can be assured that there are other people out there who look at you and wish they had some facet of your personality. Whether that's your confidence, your appearance, your attitude or any number of great things you almost certainly overlook. Do you feel like people don't know the real you? Do you worry that, if they only knew how much worry and doubt you have inside your head, they would see you differently? Do you feel a lot weaker on the inside than people believe you to be on the outside? If this book feels like it was written just for you, there is a good reason. Most people are nowhere near as comfortable with themselves as they first appear. Some people doubt their intelligence, the way they look or even their own thoughts. The truth is, despite what the media says, perfection doesn't exist and that's okay. More than that, it's a perfectly beautiful truth of humanity. This book will show you how to embrace and then permanently release your inner demons. Stripping away all the self-limiting beliefs that have, up until now, prevented you from living the life of your dreams. The secrets of this book will once and for all allow you to accept the real you. I will show you how to fall in love with yourself, exactly as you are now. You will learn how to: \* Overcome self-doubt. \* Value yourself correctly. \* Stop worrying and start living. \* Remove negative influences from your life. \* Find your true calling. \* Enjoy beautiful loving and secure relationships. \* And much more... **Someone Who Will Love You in All Your Damaged Glory**-Raphael Bob-Waksberg 2019-06-11 From the creator of the beloved and universally acclaimed television series *BoJack Horseman*, a fabulously off-beat collection of short stories about love—the best and worst thing in the universe. “Complex, daring, emotional, and unique, with notes of melancholic brilliance and an aftertaste of subtle elation: it is hard to describe the writing of Raphael Bob-Waksberg without sounding like *Frasier* discussing wine.” —B. J. Novak, author of *One More Thing Written* with all the scathing dark humor that is a hallmark of *BoJack Horseman*, Raphael Bob-Waksberg’s stories will make you laugh, weep, and shiver in uncomfortably delicious recognition. In “A Most Blessed and Auspicious Occasion,” a young couple engaged to be married is forced to deal with interfering relatives dictating the appropriate number of ritual goat sacrifices for their wedding. “Missed Connection—m4w” is the tragicomic tale of a pair of lonely commuters eternally failing to make that longed-for contact. And in “More of the You That You Already Are,” a struggling employee at a theme park of dead presidents finds that love can’t be genetically modified. Equally at home with the surreal and the painfully relatable (and both at once), Bob-Waksberg delivers a killer combination of humor, romance, whimsy, cultural commentary, and crushing emotional vulnerability.

**Imperfect Love**-Rebecca Talley 2014 Lauren Wilson is well on her way to her happily-ever-after. She's passionate about her career as a middle school English teacher, she adores her handsome, hard-working husband, and with a baby finally on the way, her perfect life is within her grasp. But then a devastating test result changes everything. Forced to choose between her baby and her husband, Lauren makes the only decision she can live with, and she returns to her small hometown in hopes of rebuilding her shattered life. Ethan Campbell is a gifted photographer who travels the world and has no desire to settle down. When his mother dies, he must go home to settle her estate. Then it's back to exciting adventures across the globe. When Lauren crosses paths with Ethan, her teenage crush, old feelings resurface—feelings she's not prepared to face. Will Lauren have the courage to trust again or will she spend her life alone? *Imperfect Love* is a story about sacrifice, healing, second chances, and discovering that although love isn't always perfect, sometimes it's the imperfect love that's the sweetest of all.
