If I'm Being Honest-Emily Wibberley 2020-02-04 "This delightfully feminist rom-com has characters that feel like friends and will surely appeal to fans of Sarah Dessen."--Buzzfeed Cameron Bright is gorgeous, popular, and--according to her classmates--a total b*tch. But when her crush, Andrew, catches a glimpse of her cruelty up close, it's enough to drive him away for good. To win him over, Cameron resolves to "tame" herself, like Shakespeare's shrew, Katherine. If she can make amends to those she's wronged, Andrew will have to take notice. Cameron's apology tour begins with Brendan, the guy whose social life she single-handedly destroyed. At first, Brendan isn't so quick to forgive, but slowly he warms to her when they connect over a computer game he's developing. To Cameron's amazement, she enjoys hanging out with Brendan, who views her honesty as an asset, and she wonders: maybe you don't have to compromise who you are for the kind of love you deserve.

The Great Gatsby-F. Scott Fitzgerald 2021-04-27 The Great Gatsby (1925) is a novel by F. Scott Fitzgerald. Published at the height of Fitzgerald's career as a leading writer of American fiction, The Great Gatsby was reviewed poorly by contemporary critics, but has since been recognized as a groundbreaking work for its vision of American decadence and decay. Adapted into several influential films and adored by generations of readers and writers, The Great Gatsby is not only Fitzgerald's crowning achievement, but one of the finest novels ever written. Nick Carraway is a young veteran and Yale graduate who moves to New York in search of work. He rents a bungalow on Long Island next door to the extravagant mansion of Jay Gatsby, a magnanimous millionaire with a mysterious past. There, he reconnects with his distant cousin Daisy and her husband Tom Buchanan, a flagrant philanderer who brings Nick to the city in order to spend time with Myrtle, his impoverished mistress. Soon, he receives an invitation to a party at the Gatsby mansion, where he gets terribly drunk and meets his neighbor, who swears they served together in the Great War. As time goes by, the two begin a tenuous friendship bolstered by stories of the war and a mutual fondness for alcohol. When Nick discovers that Gatsby and Daisy have a complicated history with one another, he starts to question not only the nature of his neighbor's kindness, but his own desire to make it big in New York. The Great Gatsby is a tragic tale of ambition and romance set in the Roaring Twenties, a decade born from war and lost to economic disaster. With a beautifully designed cover and professionally typeset manuscript, this new edition of F. Scott Fitzgerald's The Great Gatsby is a classic work of American literature reimagined for modern readers.

© 2019 A Few Honest Words

To Be Honest-Michael Leviton 2021-01-05 A memoir about an unusual upbringing in a family fanatically devoted to honesty, and what came next If you're like most people, you probably lied today. It may have been a small one, some insignificant falsehood meant to protect someone's feelings or guard your true thoughts. Now imagine if your parents had raised you to never lie, if they'd ingrained in you a compulsion to never, under any circumstances, withhold the truth or fail to speak your mind. It might be wonderfully freeing. Everyone else might not appreciate it so much. To Be Honest is Michael Leviton's extraordinary account of being raised in a family he calls a "little honesty cult." For young Michael, his parents' core philosophy felt liberating. He loved "just being honest." By the time he was twenty-nine years old, Michael had told only three "lies" (by most people's understanding of the word) in his entire life. But this honesty had consequences—in friendships, on dates, and at job interviews. And when honesty slowly poisoned a great romance, Michael decided there had to be something to lying after all. He set himself the task of learning to be as casually dishonest as the rest of us. To Be Honest is a tender and darkly comic memoir about what it means and how it feels to tell more than the truth.

Anatomy of a Controversy-Josef L. Altholz 2017-07-12 Controversy, especially religious controversy, was the great spectator sport of Victorian England. This work is a study of the biggest and best of Victorian religious controversies. Essays and Reviews (1860) was a composite volume of seven authors (six of them Anglican clergymen) which brought England its first serious exposure to biblical criticism. It evoked a controversy lasting four years, including articles in newspapers, magazines and reviews, clerical and episcopal censures, a torrent of tracts, pamphlets and sermons, followed by weightier tomes (and reviews of all these), prosecution for heresy in the ecclesiastical courts, appeal to the highest secular court, condemnation by the Convocation of the clergy and a debate in Parliament. Essays and Reviews was the culmination and final act of the Broad Church movement. Outwardly the conflict ended inconclusively; at a deeper level, it marked the exhaustion both of the Broad Church and of Anglican orthodoxy and the commencement of an era of religious doubt. This controversy illustrates the pathology of Victorian religion in its demonstration of the propensity to controvert and the methods of controversialists. It is both the greatest Victorian crisis of faith and the best case study of Victorian religious controversy.

A New History of Kentucky-James C. Klotter 2018-11-26 When originally published, A New History of Kentucky provided a comprehensive study of the Commonwealth, bringing it to life by revealing the many faces, deep traditions, and historical milestones of the state. With new discoveries and findings, the narrative continues to evolve, and so does the telling of Kentucky's rich history. In this second edition, authors James C. Klotter and Craig Thompson Friend provide significantly revised content with updated material on gender politics, African American history, and cultural history. This wide-ranging volume includes a full overview of the state and its economic, educational, environmental, racial, and religious histories. At its essence, Kentucky's story is about its people -- not just the notable and prominent figures but also lesser-known and sometimes overlooked personalities. The human spirit unfolds through the lives of individuals such as Shawnee peace chief Nonhelema Hokolesqua and suffrage leader Madge Breckinridge, early land promoter John Filson, author Wendell Berry, and Iwo Jima flag--raiser Private Franklin Sousley. They lived on a landscape defined by its topography as much as its political boundaries, from Appalachia in the east to the Jackson Purchase in the west, and from the Walker Line that forms the Commonwealth's southern boundary to the Ohio River that shapes its northern boundary. Along the journey are traces of Kentucky's past -- its literary and musical traditions, its state-level and national political leadership, and its basketball and bourbon. Yet this volume also faces forthrightly the Commonwealth's blemishes -- the displacement of Native Americans, African American enslavement, the legacy of violence, and failures to address poverty and poor health. A New History of Kentucky ranges throughout all parts of the Commonwealth to explore its special meaning to those who have called it home. It is a broadly interpretive, all-encompassing narrative that tells Kentucky's complex, extensive, and ever-changing story.

The Deerslayer-James Fenimore Cooper 2008-07-29 Set during the French and Indian Wars, The Deerslayer vividly captures the essence of both the murderous humanity and the natural beauty that distinguished America's founding. The last of Cooper's famous Leatherstocking Tales, it is first chronologically in the frontier adventures of the backwoods scout Natty Bumppo. Amid a terrain largely inspired by Cooper's own boyhood, Natty's initiation in the moral codes of wilderness society is examined in what is, according to D. H. Lawrence, "the loveliest and best" of the Leatherstocking series. This Modern Library Paperback Classic is set from the definitive text established by James Franklin Beard and James P. Elliott, which is the Approved Text of the Center for Scholarly Editions of the Modern Language Association.

His historical romances of frontier and Indian life in the early American days created a unique form of American literature. Before embarking on his career as a writer, Cooper served in the U.S. Navy as a Midshipman, which greatly influenced many of his novels and other writings. The novel that launched his career was The Spy, a tale about counterespionage set during the Revolutionary War. He also wrote numerous sea stories, and his best-known works are five historical novels of the frontier period known as the Leatherstocking Tales. Among his most famous works is the Romantic novel The Last of the Mohicans, often regarded as his masterpiece.

The Open Door (2)-Watchman Nee 1993-05-01 Watchman Nee's writings have become well known for their deep spiritual insight among Christians in many nations for many years. Through these volumes a full understanding of his balanced and proper view concerning the Bible and the spiritual life can be accurately appreciated. This new compilation and retranslation of Watchman Nee's writings present the reader a fresh and unedited version of his ministry and promises to shed new light on the reader's understanding of Watchman Nee's ministry.

Mission-Pamela Leigh Starr 2007-11-01 Verena Tovick-Ra, beautiful, bronze explorer as well as the princess of Vixen had been sent out on many missions before. This present mission, more important and more simple than all the others, had developed into a lengthy, complex, tormenting situation. Lengthy, for it took longer than anticipated to find a planet that sustained compatible males for the Sisters of Vixen to obtain as mates. All their men had died suddenly by a mysterious plague they could not cure. Complex were their dealings with the males of Earth they had obtained. Converting their ship into a workplace had been simple, making them believe that they were still on Earth instead of flying through space toward their new destiny was easy. Getting used to their large size and manner was another matter. These males actually thought that they were equal to females, and worse yet, should be treated with higher regard! Verena's dealing with the one male who had been watching them before they left Earth and knew of the abductions was the most complex of situations. Jordan Mitchell, pale, large and bulky was determined to get back to Earth. Of course he could not return. He was her future mate. Jordan's resistance was the last factor of this most difficult trip. Having marked him as her own and not following with the traditional Ceremony of Unity Verena's very life was at risk. Add to that an unwarranted attacked by a neighboring planet resulting in a forced alliance with their new mates as they fight against a conspiracy toward Vixen. Where will it all lead?

Reminiscences of Military Service in the Forty-third Regiment, Massachusetts Infantry, During the Great Civil War, 1862-63-Edward H. Rogers 1883

Frank Leslie's New Family Magazine-Frank Leslie 1859

Prophecy Games-Dennis George Herman 2017-03-17 This second book in the series is a compilation of Bible Studies on a much deeper level than the first book in the series. This book is not for beginners. Although a number of chapters contain a review of simple methods explained in the first book. The second book in this series takes up where the first book left off. The main focus in this book centers on what I term as parallel chapters. The first book shows the amazing way God wrote the Bible in a particular order to teach any dedicated student of scripture a series of important study rules, often referred to as rules of context. I tried to explain each rule of context in the easiest terms I know. Combined with actual examples in scripture, this may be the easiest book on Bible Study to understand.

The Leather-stocking Tales-James Fenimore Cooper 1854

The Spiritual Man-Watchman Nee 1998 An intriguing exploration of the great transition between life and the after-life.

The Christian world magazine (and family visitor).- 1867

Eleanor, Quiet No More-Doreen Rappaport 2023-10-12

Spirits in the Grass-Bill Meissner 2008-12-08 When Bill Meissner's collection of short stories Hitting into the Wind was published in 1994, it was called "a quiet masterpiece of baseball writing" by the Greensboro, North Carolina, News and Record. The Seattle Post-Intelligencer said, "Bill Meissner captures baseball with all its crystalline beauty—the remarkable reverberation of time and space and character." And The New York Times Book Review said, "Just about every tale here recalls those precious years when a chance to play in the majors was all a boy could ask from life." Now, in his first novel, Bill Meissner again uses baseball as a window to his characters. In Spirits in the Grass, we meet Luke Tanner, a thirty-something ball player helping to build a new baseball field in his beloved hometown of Clearwater, Wisconsin. Luke looks forward to trying out for the local amateur team as soon as possible. His chance discovery of a small bone fragment on the field sets in motion a series of events and discoveries that will involve his neighbors, local politicians, and the nearby Native American reservation. Luke's life, most of all, will be transformed. His growing obsession with the ball field and what's beneath it threatens his still fragile relationship with his partner, Louise, and challenges Luke's assumptions about everyone, especially himself. Spirits in the Grass rings true with small-town Midwestern values. The characters, including Luke's independent partner Louise, grapple with their passion and their identities. In this beautiful and haunting novel, baseball serves as a metaphor for life itself, with its losses and defeats, its glories and triumphs.

The Deerslayer (Illustrated)-James Fenimore Cooper 2014-04-29 James Fenimore Cooper (September 15, 1789 - September 14, 1851) was a prolific and popular American writer of the early 19th century. His historical romances of frontier and Indian life in the early American days created a unique form of American literature. He lived most of his life in Cooperstown, New York, which was established by his father William. Cooper was a lifelong member of the Episcopal Church and in his later years contributed generously to it. He attended Yale University for three years, where he was a member of the Linonian Society, but was expelled for misbehavior. Before embarking on his career as a writer he served in the U.S. Navy as a Midshipman which greatly influenced many of his novels and other writings. He is best remembered as a novelist who wrote numerous sea-stories and the historical novels known as the Leatherstocking Tales. Among naval historians Cooper's works on the early U.S. Navy have been well received, but they were sometimes criticized by his contemporaries. Among his most famous works is the Romantic novel The Last of the Mohicans, often regarded as his masterpiece.

The Deerslayer, or the first war-path0-James Fenimore Cooper 1854

The Deerslayer-J. Fenimore Cooper 2020-09-23 Reprint of the original, first published in 1869.

The Poe Shadow-Matthew Pearl 2006-05-23 "I present to you . . . the truth about this man's death and my life." Baltimore, 1849. The body of Edgar Allan Poe has been buried in an unmarked grave. The public, the press, and even Poe's own family and friends accept the conclusion that Poe was a second-rate writer who met a disgraceful end as a drunkard. Everyone, in fact, seems to believe this except a young Baltimore lawyer named Quentin Clark, an ardent admirer who puts his own career and reputation at risk in a passionate crusade to salvage Poe's. As Quentin explores the puzzling circumstances of Poe's demise, he discovers that the writer's last days are riddled with unanswered questions the police are possibly willfully ignoring. Just when Poe's death seems destined to remain a mystery, and forever sealing his ignominy, inspiration strikes Quentin—in the form of Poe's own stories. The young attorney realizes that he must find the one person who can solve the strange case of Poe's death: the real-life model for Poe's brilliant fictional detective character, C. Auguste Dupin, the hero of ingenious tales of crime and detection. In short order, Quentin finds himself enmeshed in sinister machinations involving political agents, a female assassin, the corrupt Baltimore slave trade, and the lost secrets of Poe's final hours. With his own future hanging in the balance, Quentin Clark must turn master investigator himself to unchain his now imperiled fate from that of Poe's. Following his phenomenal debut novel, The Dante Club, Matthew Pearl has once again crossed pitch-perfect literary history with innovative mystery to create a beautifully detailed, ingeniously plotted tale of suspense. Pearl's groundbreaking research—featuring documented material never published before—opens a new window on the truth behind Poe's demise, literary history's most persistent enigma. The resulting novel is a publishing event that, through sublime craftsmanship, subtle wit, and devious twists, does honor to Poe himself

Leatherstocking Tales (Illustrated)-James Fenimore Cooper 2014-05-08 The Deerslayer The Last of the Mohicans The Pathfinder, or The Inland Sea The Pioneers The Prairie The Leatherstocking Tales is a series of five novels by American writer James Fenimore Cooper, each featuring the main hero Natty Bumppo, known by European settlers as "Leatherstocking," "The Pathfinder", and "the trapper" and by the Native Americans as "Deerslayer," "La Longue Carabine" and "Hawkeye".
