PHP & MySQL: The Missing Manual-Brett McLaughlin 2012-11-13 If you can build websites with CSS and JavaScript, this book takes you to the next level—creating dynamic, database-driven websites with PHP and MySQL. Learn how to build a database, manage your content, and interact with users. With step-by-step tutorials, this completely revised edition gets you started with expanded coverage of the basics and takes you deeper into the world of server-side programming. The important stuff you need to know: Get up to speed quickly. Learn how to install PHP and MySQL, and get them running on both your computer and a remote server. Gain new techniques. Take advantage of the all-new chapter on integrating PHP with HTML web pages. Manage your content. Use the file system to access user data, including images and other binary files. Make it dynamic. Create pages that change with each new viewing. Build a good database. Use MySQL to store user information and other data. Keep your site working. Master the tools for

fixing things that go wrong. Control operations. Create an administrative interface to oversee your site.

Taking Sides: Clashing Views in Sustainability-Robert

Taylor 2013-03-13 Taking Sides volumes present current controversial issues in a debate-style format designed to stimulate student interest and develop critical thinking skills. Each issue is thoughtfully framed with Learning Outcomes, an Issue Summary, an Introduction, and an Exploring the Issue section featuring Critical Thinking and Reflection, Is There Common Ground?, and Additional Resources. Taking Sides readers also offer a Topic Guide and an annotated listing of Internet References for further consideration of the issues. An online Instructor's Resource Guide with testing material is available for each volume. Using Taking Sides in the Classroom is also an excellent instructor resource. Visit www.mhhe.com/takingsides for more details.

Prince2 Foundation Training Manual-Van Haren Publishing 2017-01-15 Thank you for reading our PRINCE2 Foundation Training Manual. The main objective of this book is to provide an easy-to-read and easy-to-understand PRINCE2(R) Foundation training manual. The official PRINCE2 manual, "Managing Successful Projects with PRINCE2," is an excellent reference manual, but it is not a training manual and should not be used as one, as it is very difficult to comprehend and understand if you are new to project management. The official PRINCE2 manual also covers the complete Practitioner Syllabus, and it's impossible to know which parts are just focused on the PRINCE2 Foundation syllabus, so you have to read everything, which is not good if you are just studying for the foundation exam. Henceforth, this book is meant to be (and

is) an easy introduction to PRINCE2 based on the Foundation syllabus, and it's quickly becoming the most read book for people wishing to learn about PRINCE2 and prepare for the foundation exam.

Jazz Performers- 1990 This work puts together in one volume all the book and scholarly materials related to jazz lives and organizes them in such a way that the reader, at a glance, can see the entire sweep of writings on a given artist and grasp the nature of their contents. The bibliography includes many different kinds of biographical source material published in all languages from 1921 to the present, such as biographies, autobiographies, interview collections, musical treatises, bio-discographies, anthologies of newspaper articles, Master theses, and Ph.D. dissertations. With few exceptions, a work of at least 50 pages in length merits inclusion, providing it has a substantive biographical component or aids jazz research. The main section of the work is an alphabetical listing of sources on individual jazz artists and ensembles. Jazz artists, as defined by Carner, are those who have made their mark as jazz performers and who have led the jazz life, playing the clubs and joints, not the legitimate concert stage, Broadway, Las Vegas, or the like. Thus, musicians such as Ray Charles or Frank Sinatra, who have recorded and performed with jazz ensembles, do not qualify for inclusion. Each bonafide jazz musician is given a separate section with birth, death, and primary instrumentation provided. Biographical sources about the artist or ensemble follow. Each entry is annotated to differentiate it from

another and to present basic data on the source's content, such as the inclusion of a discography, bibliography, music examples and transcriptions, footnotes, indexes, illustrations, filmographies, and glossaries. An invaluable tool for jazz researchers and historians, *Jazz Performers* will also appeal to jazz enthusiasts in general.

Endangered Peoples of Oceania-Judith M. Fitzpatrick 2001 *Endangered Peoples of Oceania: Struggles to Survive and Thrive* introduces a wide range of Pacific Islanders and indigenous and migrant cultures in Australia and New Zealand and the challenges they face today. This volume focuses on 16 endangered peoples, from Micronesians and Melanesians to Samoans in New Zealand. Students and other readers will become knowledgeable about the contemporary impacts and responses to such factors as nuclear testing, migration for jobs, uncontrolled development, and ecotourism. The chapters are written by anthropologists based on their recent fieldwork, which guarantees unparalleled accuracy and immediacy.

Foragers of the Terminal Pleistocene in North America-Renee Beauchamp Walker 2007 These essays cast new light on Paleoindians, the first settlers of North America. Recent research strongly suggests that big-game hunting was but one of the subsistence strategies the first humans in the New World employed and that they also relied on foraging and fishing.

Coward Plays: 6-NoÃ«l Coward 2013-10-16 Philip Hoare, in his biography of Coward described *Semi-Monde* as his "most daring play to date. In a chic Parisian hotel, a series of sexual pairings take place through rendezvous, arguments, infidelities and reconciliations: sexual deviance is undisguised...set in the bisexual 1920s, the play could easily be populated by characters of Coward's society". *Point Valaine* is "the drama of a lurid episode of lust in the semi-tropics.. unmistakably the work of a master of the stage" (New York Times); *South Sea Bubble* which concerns "the Governor's lady in the Isle of Samolo who plays with native fire, nearly gets her wings singed, bashes her native admirer with a bottle and at one of those Coward next-morning-at breakfast scenes slips her way out of the scrape with feline grace." (Manchester Guardian) whilst *Nude With Violin* is a witty comedy about art fraud.

Industrialisation in Tribal Areas-D.N. Thakur D. Thakur 2009

Marijuana and the Workplace-Charles R. Schwenk 1999 Reviews crucial research on the marijuana/workplace debate and gives organization decision makers the analytical tools they need to formulate sound policy for their own workplaces.

Little Dorrit Part 1 (Illustrated)-Charles Dickens 2018-08-14 Rare edition with unique illustrations. A novel of

serendipity, of fortunes won and lost, and of the spectre of imprisonment that hangs over all aspects of Victorian society. When Arthur Clennam returns to England after many years abroad, he takes a kindly interest in Amy Dorrit, his mother's seamstress, and in the affairs of Amy's father, William Dorrit, a man of shabby grandeur, long imprisoned for debt in Marshalsea prison. As Arthur soon discovers, the dark shadow of the prison stretches far beyond its walls to affect the lives of many, from the kindly Mr Panks, the reluctant rent-collector of Bleeding Heart Yard, and the tipsily garrulous Flora Finching, to Merdle, an unscrupulous financier, and the bureaucratic Barnacles in the Circumlocution Office. A masterly evocation of the state and psychology of imprisonment, *Little Dorrit* is one of the supreme works of Dickens's maturity. Stephen Wall's introduction examines Dickens's transformation of childhood memories of his father's incarceration in the Marshalsea debtors' prison. This revised edition includes expanded notes, appendices and suggestion for further reading by Helen Small, a chronology of Dickens's life and works, and original illustrations. Charles Dickens is one of the best-loved novelists in the English language, whose 200th anniversary was celebrated in 2012. His most famous books, including *Oliver Twist*, *Great Expectations*, *A Tale of Two Cities*, *David Copperfield* and *The Pickwick Papers*, have been adapted for stage and screen and read by millions.

The Best of Rudyard Kipling-Rudyard Kipling 2010-05-01
'The Best of Rudyard Kipling' contains his three most famous tales from India, 'The Jungle Book', 'The Second

Jungle Book', and 'Kim'.

Coward Plays: 6-Noël Coward 1999 Philip Hoare, in his biography of Coward described *Semi-Monde* as his "most daring play to date. In a chic Parisian hotel, a series of sexual pairings take place through rendezvous, arguments, infidelities and reconciliations: sexual deviance is undisguised...set in the bisexual 1920s, the play could easily be populated by characters of Coward's society". *Point Valaine* is "the drama of a lurid episode of lust in the semi-tropics.. unmistakably the work of a master of the stage" (New York Times); *South Sea Bubble* which concerns "the Governor's lady in the Isle of Samolo who plays with native fire, nearly gets her wings singed, bashes her native admirer with a bottle and at one of those Coward next-morning-at breakfast scenes slips her way out of the scrape with feline grace." (Manchester Guardian) whilst *Nude With Violin* is a witty comedy about art fraud.

Prouty, Proute, Genealogy (1910)-Charles Henry Pope 2014-08-07 This Is A New Release Of The Original 1910 Edition.

South Sea Bubble-Noël Coward 2003-01

Semi-Monde-Noël Coward 2014-05-27 The first single edition of Noël Coward's most controversial play. "Only in

Semi-Monde does Coward find a successful metaphor for the sexual complications that lie behind his posturing. Semi-Monde is easily the most visually daring of his comedies, and the most intellectually startling ... made up of sexually mischievous tableaux vivants and gets much nearer the homosexual knuckle than Coward's public image allowed." - (John Lahr, London Review of Books) Written in 1926 and originally entitled Ritz Bar, Semi-Monde was considered too daring for its time: "its production in London or New York seemed unlikely as some of the characters, owing to lightly suggested abnormalities, would certainly be deleted by the censor" (Noël Coward, Present Indicative). The play finally received its public premiere only after Coward's death, at the Citizen's Theatre, Glasgow, in September 1977.
