Shivaji-Ranjit Desai 2017-12-15 'The epic text of Ranjit Desai's Shriman Yogi finds new voice in Vikrant Pande's nuanced translation, an immersive narrative of the foundations of the Maratha empire and the saga of its charismatic founder.' - Namita Gokhale. Young Shivaji reaches Pune, a dying fort city, with his mother Jijabai and lights the first lamp within its ruins. While his father Shahaji Bhosle is away on deputation by the Adil Shah sultanate after having failed in a revolt against it, Shivaji learns how an empire is built from the ground up. Thus begins the life of the Great Maratha. What awaits Shivaji is nothing

short of the vast scroll of history, and it takes him from Surat to Thanjavur and all the way to Aurangzeb's durbar in Agra. He dreams of freeing his land from the clutches of Mughal rule, and though he suffers many defeats and personal losses along the way he never gives up his vision of Hindavi Swaraj. Amidst political intrigue and a chain of skirmishes, Shivaji becomes a leader, a warrior and a tactician par excellence, driven by immense pride and love for his motherland.

The Fury of Men's Gullets-Bruce Thomas Boehrer 2015-07-27 In *The Fury of Men's Gullets*, Bruce Boehrer explores the poet's fascination with alimentary matters and the ways in which such references describe Jonson's personal and cultural transformation. In his

wide-ranging examination of Jonson's plays, prose, and nondramatic verse, Boehrer discusses the sociohistorical significance of food, the politics of conspicuous consumption, the infrastructure of Jacobean London, and pertinent aspects of Renaissance medical practice and physiological theory. *The Fury of Men's Gullets* uniquely interprets Jonson's construction of early modern English literary sensibility.

Young Migrant Identities-Sherene Idriss 2017-07-28 In this day and age, much has been discussed as to what it means 'to be an Arab'. However, this enlightening volume seeks instead to invite us deeper into young Arab-Australian men's lives as we explore their vocational aspirations and working experiences within highly racialised and hierarchical industries. *Young Migrant Identities* is an in-depth exploration into the lives of Arab-Australian young men living in Western Sydney with creative career aspirations. Indeed, not only does Idriss explore how these men develop interests in fields such as music, filmmaking, and design, but she also examines the multilinear routes that they take to turn these interests into vocational identities. However, in the local migrant communities in which these young men live, creative identities are seen to compromise individual and familial prospects for social mobility, and artistic interests tend to go unsupported. Thus, this book also strives to offer new insights about how notions of gender, ethnicity, and social class are experienced because of these young men's 'risky' career ambitions. A timely

volume, *Young Migrant Identities* draws together a range of theoretical issues and debates, engaging with sociological approaches to race and social class, creative and cultural economies, and studies on youth. It will particularly appeal to post-graduate students and post-doctoral researchers interested in fields such as Youth Studies, Ethnicity Studies, Cultural Economy, and Migration Studies.

A Forgotten Empire-Robert Sewell 2018-10-05 *A Forgotten Empire* By Robert Sewell
Since the first *DECADA* of Barros was published in 1552, [3] this argument is not

unreasonable; while a comparison between the accounts given by Nuniz and Barros of the siege and battle of Raichur sufficiently proves that one was taken from the other. But we have fortunately more direct evidence, for the discovery of which we have to thank Mr. Ferguson. I have mentioned above that at the end of the MS. volume are copies of two letters concerning China. These were written subsequent to the year 1520 by Vasco Calvo and Christovao Vieyra. Mr. Ferguson has pointed out to me that, in the third DECADA (liv. IV, caps. 4, 5), after quoting some passages almost verbatim from this chronicle of Nuniz regarding Vijayanagar, Barros writes: "According to two letters which our people had two or three years afterwards from these two men, Vasco Calvo, brother of Diogo Calvo, and Christovao Vieyra, who were prisoners in Canton, etc...." He also mentions these letters in two subsequent passages, and quotes from them. This r

The Three-Martini Playdate-Christie Mellor 2012-05-11 "Lays out a plan for parents to enjoy themselves and not be slaves to their children while still offering their kids a warm, nurturing environment." —Publishers Weekly Parents were here first! How did the kids suddenly take control? Sure the world has changed from the days when children were supposed to be seen and not heard but things have gotten a little out of hand. What about some quality time for the grownups? Author Christie Mellor's hilarious, personal, refreshing, and actually quite useful advice delightfully rights the balance between parent

and child. In dozens of short, wickedly funny chapters, she skewers today's parental absurdities and reminds us how to make child-rearing a kick. With recipes, helpful hints, and illustrations, this high-spirited book is the only book parents will really need—and enjoy. Includes chapters on: Screaming: Is It Necessary? Bedtime: Is Five-Thirty Too Early? Child Labor: Not Just for the Third World! “Children’s Music”: Why? . . . and much, much more “Harried mothers who have given over their lives to their adorable little angels, beware: This book is the equivalent of a cocktail in the face . . . The book details the glories of saying no to your children, explains when you’ve gone too far in childproofing your home, laments our over-reliance on camcorders (‘a disease’) and suggests that the Tooth Fairy is getting robbed. Best of all, there’s a recipe for teaching your tot how to mix a simple martini just the way you like it—with lots of alcohol.” —Chicago Sun-Times
