

Casino Royale Book Summary

Casino Royale-Ian Fleming 2012 In order to rid the British Secret Service of "Le Chiffre," a lethal Soviet operative with a weakness for gambling, James Bond is to bankrupt him in a French casino, but the secret agent's cards are not cooperating.

Casino Royale-Ian Fleming 1953 At the Casino in Deauville, Bond's game is baccarat-for stakes that run into millions of francs. But away from the discreet salons, the caviar and champagne, it's 007 versus one of Russia's most powerful and ruthless agents-and the prize is a bullet in the head from a S.M.E.R.S.H. assassin.

Forever and a Day-Anthony Horowitz 2018-11-06 A spy is dead. A legend is born. This is how it all began. The explosive prequel to Casino Royale, from bestselling author Anthony Horowitz. Forever and a Day is the story of the birth of a legend, in the brutal underworld of the French Riviera, taking readers into the very beginning of James Bond's illustrious career and the formation of his identity. *** M laid down his pipe and stared at it tetchily. "We have no choice. We're just going to bring forward this other chap you've been preparing. But you didn't tell me his name." "It's Bond, sir," the Chief of Staff replied. "James Bond." The sea keeps its secrets. But not this time. One body. Three bullets. 007 floats in the waters of Marseille, killed by an unknown hand. It's time for a new agent to step up. Time for a new weapon in the war against organized crime. It's time for James Bond to earn his license to kill.

A Kill in the Morning-Graeme Shimmin 2014-06-19 'I don't like killing, but I'm good at it. Murder isn't so bad from a distance, just shapes popping up in my scope. Close-up work though - a garrotte around a target's neck or a knife in their heart - it's not for me. Too much empathy, that's my problem. Usually. But not today. Today is different . . . ' The year is 1955 and something is very wrong with the world. It is fourteen years since Churchill died and the Second World War ended. In occupied Europe, Britain fights a cold war against a nuclear-armed Nazi Germany. In Berlin the Gestapo is on the trail of a beautiful young resistance fighter, and the head of the SS is plotting to dispose of an ailing Adolf Hitler and restart the war against Britain and her empire. Meanwhile, in a secret bunker hidden deep beneath the German countryside, scientists are experimenting with a force far beyond their understanding. Into this arena steps a nameless British assassin, on the run from a sinister cabal within his own government, and planning a private war against the Nazis. And now the fate of the world rests on a single kill in the morning . . .

Live and Let Die-Ian Fleming 2017-07-11 When 007 goes to Harlem, it's not just for the jazz. For Harlem is the kingdom of Mr Big, black master of crime, voodoo baron, senior partner in SMERSH's grim company of death. Those he cannot possess, he crushes; those who cross him will meet painful ends. Like his beautiful prisoner, Solitaire. And her lover, James Bond. Both are marked out as victims in a trail of terror, treachery and torture that leads from New York's black underworld to the shark-infested island in the sun that Mr Bier calls his own... 'Speed...tremendous zest communicated excitement. Brrh! How wincingly well Mr Fleming writes '—JULIAN SYMONS, SUNDAY TIMES

No Deals, Mr. Bond-John Gardner 2012-07-05 Official, original James Bond from a writer described by Len Deighton as a 'master storyteller'. Two female agents of Operation Cream Cake - double agents and honey traps against the KGB - are murdered. Bond must find the others and conduct them to safety before they meet a similar fate. In a race against time, Bond travels to Ireland and the KGB is soon on the scene. But all is not as it seems and soon Bond finds he needs all his wits to negotiate a labyrinth of double-crossing that is to lead him to a bewildering showdown in a remote corner of the Kowloon province of Hong Kong, where, weaponless, he is hunted by four assassins. No Deals, Mr. Bond is the sixth in the bestselling series created by John Gardner, and one of the most original and unpredictable.

Devil May Care-Sebastian Faulks 2009-06-12 Bond is back with a license to thrill. Forty-three years ago, Ian Fleming wrote his last great 007 adventure. Now, in Devil May Care, the world's most iconic spy returns in a Cold War story spanning the world's exotic locations. By invitation of the Fleming estate to mark the centenary of his birth, acclaimed novelist Sebastian Faulks picks up where Fleming left off, writing a tour de force that will electrify every James Bond fan. A fitting tribute to the Bond tradition, Devil May Care stands on its own as a triumph of witty prose and plenty of double-0 action. "In his house in Jamaica, Ian Fleming used to write a thousand words in the morning, then go snorkeling, have a cocktail, lunch on the terrace, more diving, another thousand words in the late afternoon, then more martinis and glamorous women. In my house in London, I followed this routine exactly, apart from the cocktails, the lunch, and the snorkeling." —Sebastian Faulks

Some Kind of Hero-Matthew Field 2015-10-12 Updated to include the road to Bond 25For over 50 years, Albert R. Broccoli's Eon Productions has navigated the ups and downs of the volatile British film industry, enduring both critical wrath and acclaim in equal measure for its now legendary James Bond series. Latterly, this family-run business has been crowned with box office gold and recognised by motion picture academies around the world. However, it has not always been plain sailing. Changing financial regimes forced 007 to relocate to France and Mexico; changing fashions and politics led to box office disappointments; and changing studio regimes and business disputes all but killed the franchise. And the rise of competing action heroes has constantly questioned Bond's place in popular culture. But against all odds the filmmakers continue to wring new life from the series, and 2012's Skyfall saw both huge critical and commercial success, crowning 007 as the undisputed king of the action genre. Now, with Daniel Craig back for a fifth turn as Ian Fleming's spy in October 2019, Bond's reign shows no signs of diminishing. Some Kind of Hero recounts this remarkable story, from its origins in the early fifties right through to the present day, and draws on over a hundred unpublished interviews with the cast and crew of this iconic series.

The Schirmer Inheritance-Eric Ambler 2011-10-19 It wasn't anyone's idea of a glamorous first assignment at a white shoe law firm. George Cary, former WWII bomber pilot and newly minted lawyer, was given the ignoble task of going through the tons of files on the Schneider Johnson case, just to make sure nothing had been overlooked. But, as luck would have it, George did discover something among the false claims and dead-end leads that made this into more than just another missing-heir-to-a vast-fortune case. And what he found would connect a deserter from Napoleon's defeated army to a guerrilla fighter in post-war Greece, and lead Cary himself into a dangerous situation where his own survival will depend more on what he learned in the army than anything he learned in law school.

Thunderball-Ian Fleming 2015-01-06 British Secret Service agent James Bond, a.k.a. 007, is called into action when a new threat, the terrorist group SPECTRE, hijacks a pair of nuclear bombs and tries to use them to hold the world ransom. Bond has to team up with an old friend, CIA agent Felix Leiter, to stop them. James Bond is one of the most iconic characters in 20th-century literature. In addition to the 12 novels and 9 short stories written by Ian Fleming, there have been over 40 novels and short stories written about the spy by other authors, and 26 films produced, starring actors such as Sean Connery and Daniel Craig as 007. Random House Canada is proud to bring you classic works of literature in ebook form, with the highest quality production values. Find more today and rediscover books you never knew you loved.

Goldfinger-Ian Fleming 2021-08-31 "Goldfinger" by Ian Fleming. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

You Only Live Twice-Ian Fleming 2021-08-31 "You Only Live Twice" by Ian Fleming. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

For His Eyes Only-Lisa Funnell 2015-10-20 The release of Skyfall in 2012 marked the fiftieth anniversary of the James Bond film franchise. It earned over one billion dollars in the worldwide box office and won two Academy Awards. Amid popular and critical acclaim, some have questioned the representation of women in the film. From an aging M to the limited role of the Bond Girl and the characterization of Miss Money Penny as a defunct field agent, Skyfall develops the legacy of Bond at the expense of women. Since Casino Royale (2006) and its sequels Quantum of Solace (2008) and Skyfall constitute a reboot of the franchise, it is time to question whether there is a place for women in the new world of James Bond and what role they will play in the future of series. This volume answers these questions by examining the role that women have historically played in the franchise, which greatly contributed to the international success of the films. This academic study constitutes the first book-length anthology on femininity and feminism in the Bond series. It covers all twenty-three Eon productions as well as the spoof Casino Royale (1967), considering a range of factors that have shaped the depiction of women in the franchise, including female characterization in Ian Fleming's novels; the vision of producer Albert R. Broccoli and other creative personnel; the influence of feminism; and broader trends in British and American film and television. The volume provides a timely look at women in the Bond franchise and offers new scholarly perspectives on the subject.

SilverFin-Charles Higson 2011-05-05 Before the name became a legend. Before the legend became a man. Meet Bond. James Bond. The first explosive adventure in this phenomenal, blockbusting series - with ALL NEW material and a fantastic redesigned cover.

The Man Who Saved Britain-Simon Winder 2007-10-02 Bond. James Bond. The ultimate British hero--suave, stoic, gadget-driven--was, more than anything, the necessary invention of a traumatized country whose self-image as a great power had just been shattered by the Second World War. By inventing the parallel world of secret British greatness and glamour, Ian Fleming fabricated an icon that has endured long past its maker's death. In *The Man Who Saved Britain*, Simon Winder lovingly and ruefully re-creates the nadirs of his own fandom while illuminating what Bond says about sex, the monarchy, food, class, attitudes toward America, and everything in between. The result is an insightful and, above all, entertaining exploration of postwar Britain under the influence of the legendary Agent 007.

Licence to Thrill-James Chapman 2000 Provides a historical analysis of the James Bond films by examining the popularity of the series through a political and cultural perspective.

Chitty Chitty Bang Bang-Ian Fleming 2013-03-12 Ian Fleming's beloved original text — newly illustrated by Joe Berger! "Crackpot" is what everybody calls the Pott family. So when they go to buy a new car and come back with a wreck, nobody is surprised. Except for the Potts themselves. First, the car has a name. And she tells them what it is. Then they find out that she can fly. And swim. . . . Chitty Chitty Bang Bang is a car on a mission to stop a criminal gang in its tracks — and she is taking the Potts with her! Jump into the world's most loved magical car for her first adventure.

Solo-William Boyd 2013-10-08 It's 1969, and, having just celebrated his forty-fifth birthday, James Bond—British special agent 007—is summoned to headquarters to receive an unusual assignment. Zanzarim, a troubled West African nation, is being ravaged by a bitter civil war, and M directs Bond to quash the rebels threatening the established regime. Bond's arrival in Africa marks the start of a feverish mission to discover the forces behind this brutal war—and he soon realizes the situation is far from straightforward. Piece by piece, Bond uncovers the real cause of the violence in Zanzarim, revealing a twisting conspiracy that extends further than he ever imagined. Moving from rebel battlefields in West Africa to the closed doors of intelligence offices in London and Washington, this novel is at once a gripping thriller, a tensely plotted story full of memorable characters and breathtaking twists, and a masterful study of power and how it is wielded—a brilliant addition to the James Bond canon.

Quantum of Solace-Ian Fleming 2008 An anthology of short fiction chronicling the exploits and adventures of the British agent includes the tales that served as the inspiration for such films as "Octopussy," "The Living Daylights," "For Your Eyes Only," and the "Quantum of Solace."

The Spy Who Loved-Clare Mulley 2013-06-11 "Documents the story of a first British female agent in World War II, providing coverage of her mixed heritage, daring missions in numerous countries,

significant intelligence contributions and subsequent murder by an obsessive colleague. By the award-winning author of *The Woman Who Saved the Children*."

The World Is Not Enough-Oliver Buckton 2021-06-12 "This fresh biography of Ian Fleming presents an illuminating portrayal of the iconic creator of James Bond. Oliver Buckton provides the first in-depth exploration of the process of Ian Fleming's writing, his wartime intelligence work, and the strong women in his life, concluding with a thorough analysis of the James Bond films and Fleming's legacy"--

The Changing Representation of Hegemonic Masculinity in Recent James Bond Films-Nico Röhrs 2020-08-24 Seminar paper from the year 2020 in the subject English Language and Literature Studies - Other, grade: 1,3, University of Bremen (Faculty 10 - Languages and Literary Studies), course: Analyzing Hollywood Cinema, language: English, abstract: The question this paper will try to answer is whether more recent Bond films such as *Casino Royale* still contain masculinities which define themselves through sexist or violent attitudes towards women and if those masculinities can be classified as hegemonic ones. That question is highly interesting because, as Julian Dörr from the German newspaper *Süddeutsche Zeitung* says, Bond's role is a mirror of society and its masculinity. Thus, this paper will show that recent James Bond films such as *Casino Royale* portray different, less toxic and less sexist representations of masculinity because changes in society and the promotion of emancipation have also influenced western film making. In order to check if that thesis can be proofed, the general construction of James Bond's masculinity will be analyzed and deconstructed. This will be done by following certain premises which will be explained in chapter 3. Even though *Casino Royale* is not a Hollywood film, I decided to choose it as my main source for analyzing masculinity in film. As the analytical approach of Hollywood films does not differ from the one used for British films and as *Casino Royale* was also produced in western society, the underlying values and norms do not differ to a great extent. Thus, using *Casino Royale* as the main source, will offer as much output as a Hollywood film would. The series, starting with *Dr. No*, which was released in 1962, compiles 25 films from which *Spectre* is the most recent one. Due to the series' longevity, it has reached and influenced several generations and even though Ian Fleming, the creator of James Bond, did not want to convey any meaning or political standpoint, his works and their adaptations caused several debates and controversies. One of the films' most criticized aspects is their toxic representation of masculinity and the males' attitude towards women.

The Irregulars-Jennet Conant 2009-09-08 A best-selling account describes the intelligence operations of allied forces during World War II as experienced by wounded RAF pilot Roald Dahl, a patriot who infiltrated the upper reaches of Georgetown society and worked with such figures as Churchill, Roosevelt, and spy chief William Stephenson to influence U.S. policy in favor of England. Reprint.

James Bond: Felix Leiter-James Robinson 2017-11-15 Felix Leiter finds himself in Japan, tracking down a beautiful, Russian spy from his past. But when the mission takes a turn for the worse, he will discover that there are more deadly schemes afoot in Tokyo and beyond! From superstar creative team James Robinson (*Starman*, *Red Sonja*) and Aaron Campbell (*The Shadow*, *Uncanny*) comes the Bond spin-off highlighting 007's American counterpart, blending spy thrills with the dark alleys and darker deeds of crime fiction!

The Man with the Golden Gun-Ian Fleming 2021-08-31 "The Man with the Golden Gun" by Ian Fleming. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

James Bond: the Body HC-Ales Kot 2018-10 As Bond undergoes a post-mission medical examination, he relays the story of his previous mission to the examiner. Each cut, bruise, and broken bone connected to a specific event of the mission. A connection is made between two people with different purposes: one to save lives, the other to take them. PART TWO - THE BRAIN James Bond leads the interrogation of a scientist who allowed a lethal virus to be stolen. But when the investigation takes a surprising turn, Bond begins to question whether he is enough. PART THREE - THE GUT One sauna. Twenty Neo-Nazis. One Bond. James Bond. This weapons deal won't go according to plan. PART FOUR - THE HEART On the run from a lethal antagonist, weaponless and wounded deep in the Highlands, Bond finds solace with a woman who exchanged her job as a doctor and a life in the city for a cottage and solitary life of a writer. Can Bond find a quiet peace unlike he has known before or will his life choices catch up with him? AND MORE...

The Stone Girl: A Novel-Dirk Wittenborn 2020-06-16 *The Stone Girl* is a riveting tale of deception, vengeance, and power set against the haunting beauty of the Adirondack wilderness. Deep in the Adirondack Mountains lies a speck of a town called Rangeley. There isn't much to this tiny town, but it is at the crossroads of serene fishing streams off the Mink River, pristine hunting grounds in the

surrounding mountains, and vast estates of the extremely rich. It is also the gateway to the Mohawk Club, which houses the Lost Boys, an exclusive group of wealthy and powerful men with global influence and a taste for depravity. Raised wild and poor in the shadows of the Mohawk Club, Evie Quimby was a teenager when she first fell victim to the Lost Boys. Seventeen years later, she is now a world-renowned art restorer famous for repairing even the most-broken statues. After spending half her life in Paris, establishing her reputation and raising her daughter Chloé, Evie has come a long way from the girl who left Rangeley behind. But when Chloé receives a visit from an elegant stranger who claims to be an old friend of her mother's, the ghosts of Evie's past return in full force, pulling her back to the North Country of her girlhood and into the tangled, intricate web of the Lost Boys. Evie bands together with her formidable mother and an embattled heiress, both victims of the Lost Boys, in pursuit of an unusual and heart-stopping vengeance.

The Music of James Bond-Jon Burlingame 2012-10-11 Chronicles all the behind-the-scenes stories of every song and score written for the James Bond films and draws from new interviews with many of the songwriters and composers.

Death is Forever-John Gardner 2012-08-02 A series of official, original Bond books written by the acclaimed thriller writer, John Gardner. The Cold War is over. After two British agents die under mysterious and strangely old-fashioned circumstances in Germany, Bond is paired up with beautiful CIA agent 'Easy' St John. He's been assigned to track down the surviving members of "Cabal", a Cold War-era intelligence network that received a mysterious and unauthorised signal to disband. It's not long before Bond and Easy find themselves playing a life-or-death game as they try to figure out who they can trust. All the while, Cabal agents are dying one by one ...

Trigger Mortis-Anthony Horowitz 2015-09-08 James Bond, the world's most famous spy, returns to his 1950s heyday in this thriller from New York Times bestselling author Anthony Horowitz, incorporating never-before-published material from 007's creator, Ian Fleming. James Bond won his battle with criminal mastermind Auric Goldfinger, but a whole new war is about to begin. With glamorous Pussy Galore by his side—and in his bed—Bond arrives home from America to the news that SMERSH, the deadly Soviet counterintelligence agency, plans to sabotage an international Grand Prix. He must play a high-speed game of cat and mouse on the track to stop them, but a chance encounter with a mysterious Korean millionaire, Jason Sin, warns him that the scheme is only the Soviets' opening move. This dashing and seductive narrative of fast cars, beautiful women, and ruthless villains has all the hallmarks of an Ian Fleming original, including familiar faces such as M and Miss Money Penny. Trigger Mortis pits Bond and American adventurer Jeopardy Lane against a cold-blooded tycoon determined to bring America to its knees—with the help of SMERSH, who will pay any price to secure Soviet victory in the space race now at the heart of the Cold War. The clock is ticking as the scheme unfolds, culminating in a heart-stopping New York City showdown that will determine the fate of the West.

Ian Fleming-Eleanor Pelrine 2010-04 A study of Ian Fleming and his writing, with special emphasis on his character James Bond. A facsimile reprint of the 1966 edition.

The Cultural Life of James Bond-VERHEUL 2020-06-10 The release of No Time To Die in 2020 heralds the arrival of the twenty-fifth installment in the James Bond film series. Since the release of Dr. No in 1962, the cinematic James Bond has expedited the transformation of Ian Fleming's literary creation into an icon of western popular culture that has captivated audiences across the globe by transcending barriers of ideology, nation, empire, gender, race, ethnicity, and generation. The Cultural Life of James Bond: Specters of 007 untangles the seemingly perpetual allure of the Bond phenomenon by looking at the non-canonical texts and contexts that encompass the cultural life of James Bond. Chronicling the evolution of the British secret agent over half a century of political, social, and cultural permutations, the fifteen chapters examine the Bond-brand beyond the film series and across media platforms while understanding these ancillary texts and contexts as sites of negotiation with the Eon franchise.

Octopussy and The Living Daylights-Ian Fleming 2017-07-11 From the legacy of Ian Fleming come these two recently discovered short novels—superb examples of JAMES BOND AT HIS BEST They were written by 007's creator before his death and are published here in book form for the first time. OCTOPUSSY is set in Fleming's favourite pleasure paradise, Jamaica in the British West Indies. THE LIVING DAYLIGHTS takes place in, what is for Fleming, a new kind of locale: the border territory that divides East and West Berlin. In both novellas Fleming gives the audacious Bond the power of life—or death—over two very different adversaries. Bond's first quarry is a rather odd Englishman, the very proper Major Dexter Smythe. Smythe is a retired officer of the Royal Marines. He is a man of no visible wealth, yet he lives in luxurious idleness. His pet diversion—indeed his obsession—is a dangerous experiment that he is conducting with a predator of the deep, with a many-tentacled beauty whom he fondly has named Octopussy.... Bond's second target is one of Fleming's most tantalizing villains, a person whom Bond, and the reader, glimpses but never meets. M. sends Bond to West Berlin to safeguard the escape of Number 272, a British agent who is privy to Russia's top-secret atomic plans. Agent 272 is to make his break for freedom across the East Berlin frontier. The big trouble is: the KGB knows the escape plan and that plan cannot be changed. They have assigned their best sniper, Trigger, to shoot 272 on the run, on a certain street, at a certain time. Armed with a

.308-caliber International Experimental Target rifle, Bond must stake out the sniper and kill him before he kills 272...

The Madagaskar Plan-Guy Saville 2015-08-04 Guy Saville's The Madagaskar Plan imagines a disturbing alternate history in which Nazi victory in World War II brings their "Final Solution" ever closer. The year is 1953. There is peace in Europe, but a victorious Germany consolidates power in Africa. The lynchpin to its final solution is Madagaskar. Hitler has ordered the resettlement of European Jews to the remote island. British forces conspire to incite colony-wide revolt, resting their hopes on the expertise of Reuben Salois, an escaped leader of Jewish resistance. Ex-mercenary Burton Cole scours the island for his wife and child. But as chaos descends and the Nazis brutally suppress the nascent insurrection, Cole must decide whether he is master of-or at the mercy of-history. The Madagaskar Plan is alternate history of the highest order, a thriller of terrifying scope based on the Nazis' actual plans prior to the Holocaust.

Thrilling Cities-Ian Fleming 2017-07-11 'On November 2nd armed with a sheaf of visas...one suitcase...and my typewriter, I left humdrum London for the thrilling cities of the world...' In 1959, Ian Fleming, the creator of James Bond, was commissioned by the Sunday Times to explore fourteen of the world's most exotic cities. Fleming saw it all with a thriller writer's eye. From Hong Kong to Honolulu, New York to Naples, he left the bright main streets for the back alleys, abandoning tourist sites in favour of underground haunts, and mingling with celebrities, gangsters and geishas. The result is a series of vivid snapshots of a mysterious, vanished world.

Casino Royale-Ian Fleming 2020-02-29 Casino Royale (1953), Ian Fleming's first novel, introduced James Bond and other recurring characters of the Bond series of novels and short stories. Complex, even conflicted, this Bond belongs to the post-war world of rationing, trauma, and a growing sense of uncertainty due to social and technological change and the rising tensions of the Cold War. This is the first edition of Casino Royale to include footnotes that provide a larger context for the novel as well as translate its French passages. The edition also includes appendices that provide a number of other works by Fleming and other literary and historical materials that help to situate the spy thriller.
